Lumia 650
Dual SIM

The smart choice for your business

Key Features

- **Sophisticated Design.** Measuring in at only 6.9mm thick, the Lumia 650 is our thinnest design ever. We've paid attention to every detail, including wrapping the phone in a highly polished, diamond cut and anodized aluminum frame.
- **Built for Business.** Featuring Windows 10 Mobile, the Lumia 650 is secure by design with built in protection against modern security threats to help keep company and personal data safe. Run the latest Microsoft Office apps right out of the box and plan your day with Cortana[1], your fully integrated very own personal assistant.
- **Great Lumia Features.** Featuring our best ever wide angle front camera in its category and advanced 8MP rear camera, the Lumia 650 continues Microsoft's line of great imaging experience. And with a crisp 5" HD OLED display, pictures, videos and more look clear and bright, even in direct sunlight.
