

INTRODUCING THE HUAWEI P30 PRO NEW EDITION

Following an incredible consumer response to the release of the HUAWEI P30 Pro in 2019, the new fan favourite smartphone just got even better. Welcome to the HUAWEI P30 Pro New Edition.

The HUAWEI P30 Pro New Edition has a refreshed look thanks to its three new colours and the latest EMUI 10.1 software. With a boost in memory and RAM, you can store and manage even more of the images you've taken with the award winning Leica Quad Camera.

AVAILABLE IN THREE NEW COLOURS

The HUAWEI P30 Pro New Edition returns in three sleek new colours, Silver Frost, Aurora and Black, ensuring they look just as good on the outside, as they've come to be known on the inside.

THE AWARD-WINNING LEICA QUAD CAMERA RETURNS

Equipped with a 1/1.7 inch RYYB sensor which lets in 40% more light, as well as an 8MP 5x Optical Periscope Zoom Lens, 40MP HUAWEI SuperSpectrum Lens, 20MP Ultra-Wide Angle Lens and HUAWEI TOF Lens

SILVER FROST EDITION

The Silver Frost edition also features a new style indium-plated refractive matte finish, to ensure it appears clean and clear under any light reflection

HUAWEI GOLDEN SNAP

Intelligent photo-editing software uses AI to ensure the best photography results every time

BOOSTED CAPACITY

With an impressive 8GB RAM and 256GB ROM storage, making it possible to store over 70,000 HD photos on the device
